Item 7.01 Regulation FD Disclosure.

On June 22, 2017, Huntington announced the release of its company-run capital stress test results as required by the Dodd-Frank Act. Results include both Huntington Bancshares Incorporated and Huntington National Bank, and can be found on Huntington's Investor Relations website on the "Regulatory Disclosures" page under the "Publications and Filings" tab (<http://huntington-ir.com/main/Regulatory.htm>). Results are based on a forward-looking exercise using hypothetical severely adverse macroeconomic assumptions developed by the Federal Reserve and by the Office of the Comptroller of the Currency, and do not represent Huntington's economic forecast.

The Company-run capital stress test results and news release are being furnished pursuant to Item 7.01, and the information contained therein shall not be deemed "filed" for purposes of Section 18 of the Securities and Exchange Act of 1934, or otherwise subject to the liabilities under that Section. Furthermore, the information contained in Exhibit 99.1 shall not be deemed to be incorporated by reference into the filings of the Firm under the Securities Act of 1933.

The information contained or incorporated by reference in this Current Report on Form 8-K contains certain forward-looking statements, including certain plans, expectations, goals, projections, and statements, which are subject to numerous assumptions, risks, and uncertainties. Forward-looking statements may be identified by words such as expect, anticipate, believe, intend, estimate, plan, target, goal, or similar expressions, or future or conditional verbs such as will, may, might, should, would, could, or similar variations.

While there is no assurance that any list of risks and uncertainties or risk factors is complete, below are certain factors which could cause actual results to differ materially from those contained or implied in the forward-looking statements: changes in general economic, political, or industry conditions; uncertainty in U.S. fiscal and monetary policy, including the interest rate policies of the Federal Reserve Board; volatility and disruptions in global capital and credit markets; movements in interest rates; competitive pressures on product pricing and services; success, impact, and timing of our business strategies, including market acceptance of any new products or services implementing our "Fair Play" banking philosophy; the nature, extent, timing, and results of governmental actions, examinations, reviews, reforms, regulations, and interpretations, including those related to the Dodd-Frank Wall Street Reform and Consumer Protection Act and the Basel III regulatory capital reforms, as well as those involving the OCC, Federal Reserve, FDIC, and CFPB; the possibility that the anticipated benefits of the merger with FirstMerit Corporation are not realized when expected or at all, including as a result of the impact of, or problems arising from, the integration of the two companies or as a result of the strength of the economy and competitive factors in the areas where we do business; diversion of management's attention from ongoing business operations and opportunities; potential adverse reactions or changes to business or employee relationships, including those resulting from the completion of the merger with FirstMerit Corporation; our ability to complete the integration of FirstMerit Corporation successfully; and other factors that may affect our future results. Additional factors that could cause results to differ materially from those described above can be found in our Annual Report on Form 10-K for the year ended December 31, 2016, which is on file with the Securities and Exchange Commission (the "SEC") and available in the "Investor Relations" section of our website, <http://huntington-ir.com>, under the heading "Publications and Filings" and in other documents we file with the SEC.

All forward-looking statements speak only as of the date they are made and are based on information available at that time. We do not assume any obligation to update forward-looking statements to reflect circumstances or events that occur after the date the forward-looking statements were made or to reflect the occurrence of unanticipated events except as required by federal securities laws. As forward-looking statements involve significant risks and uncertainties, caution should be exercised against placing undue reliance on such statements.
