HUNTINGTON BANCSHARES TO SELL FLORIDA OPERATIONS TO
SUNTRUST BANKS FOR \$705 MILLION IN CASH

CAPITAL RELEASED FROM FLORIDA SALE WILL BE USED TO
STRENGTHEN CAPITAL POSITION AND REPURCHASE SHARES

COLUMBUS, OHIO, SEPTEMBER 26, 2001 - Huntington Bancshares Incorporated (NASDAQ: HBAN) today announced that it has reached a definitive agreement to sell its Florida operations to SunTrust Banks, Inc. (NYSE: STI) for an amount expected to be approximately \$705 million in cash, based on a deposit premium of 15%. Huntington expects to recognize a pre-tax gain of approximately \$200 million.

Huntington's Florida franchise, which has \$4.7 billion in deposits and \$2.6 billion in loans, includes 141 banking offices and 456 ATMs concentrated in the central part of the state in such markets as Tampa/St. Petersburg, Orlando, Sarasota/Bradenton, Ft. Myers, Lakeland, Leesburg and Melbourne, as well as a processing center located in Lakeland. The sale does not include Huntington's trust and private banking offices in Naples and Stuart, its Florida mortgage origination platform, J. Rolfe Davis Insurance Agency, and the Florida origination platform of the indirect automobile financing business.

Huntington expects the Florida sale to be accretive to its 2002 earnings, in line with the range announced on July 12, 2001. The Florida sale, which is subject to regulatory approval and other customary conditions, is expected to close in the first quarter of 2002.

"We are pleased that we have reached an agreement for the sale of our Florida franchise that meets our strategic and financial objectives, particularly in light of the difficult economic outlook and lower interest rate environment," said Thomas E. Hoaglin, Chairman, President and Chief Executive Officer. "With this transaction, we will enhance our capital position as well as provide additional shareholder value through a significant share repurchase. The Florida sale is a key element of our recently announced restructuring plan, and we believe that this action - combined with our other planned initiatives - will allow us to concentrate our resources and attention on

growing our core Midwest franchise and help us to improve our financial performance and deliver increased value to shareholders."

Huntington will use approximately \$800 million in capital released from the sale of its Florida operations to strengthen Huntington's capital position, repurchase shares and for other corporate purposes. The Company expects to begin a major share repurchase program following the completion of the sale of its Florida operations.

Hoaglin added, "Our Florida franchise has strong growth potential, and SunTrust - which has an excellent understanding of these Florida communities and shares our relationship-based approach to local markets - is an ideal acquirer of this asset. We look forward to working closely with SunTrust to ensure a smooth transition for our customers and employees."
