(c) Promptly from time to time to take such action as you may reasonably request to qualify the Trust Preferred Securities for offering and sale under the securities laws of such jurisdictions as you may request and to comply with such laws so as to permit the continuance of sales and dealings therein in such jurisdictions for as long as may be necessary to complete the distribution of the Trust Preferred Securities and Junior Subordinated Notes, provided that in connection therewith the Guarantor shall not be required to qualify as a foreign corporation or to file a general consent to service of process in any jurisdiction or to become subject to taxation in any jurisdiction in which it is not otherwise subject;

(d) The Guarantor will use its reasonable best efforts to furnish to the Underwriters prior to 10:00 a.m., New York City time, on the New York Business Day next succeeding the date of this Agreement and from time to time, with written and electronic copies of the Prospectus in New York City in such quantities as you may reasonably request, and, if the delivery of a prospectus (or in lieu thereof, the notice referred to in Rule 173(a) under the Act) is required at any time prior to the expiration of nine months after the time of issue of the Prospectus in connection with the offering or sale of the Trust Preferred

Securities and if at such time any event shall have occurred as a result of which the Prospectus as then amended or supplemented would include an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made when such Prospectus (or in lieu thereof, the notice referred to in Rule 173(a) under the Act) is delivered, not misleading, or, if for any other reason it shall be necessary during such same period to amend or supplement the Prospectus or to file under the Exchange Act any document incorporated by reference in the Prospectus in order to comply with the Act, the Exchange Act or the Trust Indenture Act, to notify you and upon your request to file such document and to prepare and furnish without charge to each Underwriter and to any dealer in securities as many written and electronic copies as you may from time to time reasonably request of an amended Prospectus or a supplement to the Prospectus which will correct such statement or omission or effect such compliance; and in case any Underwriter is required to deliver a prospectus (or in lieu thereof, the notice referred to in Rule 173(a) under the Act) in connection with sales of any of the Trust Preferred Securities at any time nine months or more after the time of issue of the Prospectus, upon your request but at the expense of such Underwriter, to prepare and deliver to such Underwriter as many written and electronic copies as you may request of an amended or supplemented Prospectus complying with Section 10(a)(3) of the Act;

(e) To make generally available to its securityholders as soon as practicable, but in any event not later than sixteen months after the effective date of the Registration Statement (as defined in Rule 158(c) under the Act), an earnings statement of the Guarantor and its subsidiaries (which need not be audited) complying with Section 11(a) of the Act and the rules and regulations of the Commission thereunder (including, at the option of the Guarantor, Rule 158);

(f) During the period beginning from the date of the Prospectus, and continuing to and including the date 30 days after the date hereof, not to offer, sell, contract to sell, or otherwise dispose of, directly or indirectly, any Trust Preferred Securities (except for the Trust Preferred Securities offered hereby), any other beneficial interests in the assets of the Trust (other than the Trust Common Securities) or any Junior Subordinated Notes, any securities (including any security issued by another trust or other limited purpose vehicle) that are substantially similar to the Trust Preferred Securities, the Junior Subordinated Notes, the Guarantee, or any securities that are convertible into or exchangeable for or that represent the right to receive any such substantially similar securities of either the Trust, a similar trust or the Guarantor, except with your prior written consent;

(g) To pay the required Commission filing fees relating to the Trust Preferred Securities within the time required by Rule 456(b)(1) under the Act without regard to the proviso therein and otherwise in accordance with Rules 456(b) and 457(r) under the Act;

(h) To use the net proceeds received from the sale of the Trust Preferred Securities or Junior Subordinated Notes, as the case may be, in the

manner specified in the Pricing Prospectus under the caption "Use of Proceeds"; and

(i) The Guarantor will issue the Guarantee and the Junior Subordinated Notes concurrently with the issue and sale of the Trust Preferred Securities as contemplated herein.

6.

(a) (i) The Guarantor and the Trust each represents and agrees that, other than the final term sheet prepared and filed pursuant to Section 5(a) hereof, without the prior consent of the Representatives, it has not made and will not make any offer relating to the Trust Preferred Securities and the Junior Subordinated Notes that would constitute a "free writing prospectus" as defined in Rule 405 under the Act;

(ii) each Underwriter represents and agrees that, without the prior consent of the Guarantor and the Representatives, other than one or more term sheets relating to the Trust Preferred Securities and Junior Subordinated Notes containing customary information (which, in their final form, will not be inconsistent with the final term sheet prepared and filed pursuant to Section 5(a) hereof) and conveyed to purchasers of Trust Preferred Securities, it has not made and will not make any offer relating to the Trust Preferred Securities and the Junior Subordinated Notes that would constitute a free writing prospectus; and

(iii) any such free writing prospectus the use of which has been consented to by the Guarantor and the Representatives (including the final term sheet prepared and filed pursuant to Section 5(a) hereof) is listed on Schedule II(a) or Schedule II(b) hereto;

(b) Each of the Trust and the Guarantor has complied and will comply with the requirements of Rule 433 under the Act applicable to any Issuer Free Writing Prospectus, including timely filing with the Commission or retention where required and legending; and

(c) Each of the Trust and the Guarantor agrees that if at any time following issuance of an Issuer Free Writing Prospectus any event occurred or occurs as a result of which such Issuer Free Writing Prospectus would conflict with the information in the Registration Statement, the Pricing Prospectus or the Prospectus or would include an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances then prevailing, not misleading, the Guarantor will give prompt notice thereof to the Representatives and, if requested by the Representatives, will prepare and furnish without charge to each Underwriter an Issuer Free Writing Prospectus or other document which will correct such conflict, statement or omission; provided, however, that this representation and warranty shall not apply to any statements or omissions in an Issuer Free Writing Prospectus made in reliance upon and in conformity with information furnished in

writing to the Guarantor by an Underwriter through the Representatives expressly for use therein.

7. The Guarantor covenants and agrees with the several Underwriters that the Guarantor will pay or cause to be paid the following: (i) the fees, disbursements and expenses of the Guarantor's and the Trust's counsel and accountants in connection with the registration of the Trust Preferred Securities and Junior Subordinated Notes under the Act and all other expenses in connection with the preparation, printing, reproduction and filing of the Registration Statement, the Basic Prospectus, any Preliminary Prospectus, any Issuer Free Writing Prospectus and the Prospectus and amendments and supplements thereto and the mailing and delivering of copies thereof to the Underwriters and dealers; (ii) the cost of printing or producing any Agreement among Underwriters, this Agreement, the Blue Sky Memorandum, closing documents (including any compilations thereof) and any other documents in connection with the offering, purchase, sale and delivery of the Trust Preferred Securities and the Junior Subordinated Notes; (iii) all expenses in connection with the qualification of the Trust Preferred Securities and the Junior Subordinated Notes for offering and sale under state securities laws as provided in Section 5(d) hereof, including the reasonable fees and disbursements of counsel for the Underwriters in connection with such qualification and in connection with the Blue Sky survey; (iv) any fees charged by securities rating services for rating the Trust Preferred Securities; (v) the cost of preparing the Trust Preferred Securities and the Junior Subordinated Notes; (viii) the fees and expenses of any trustee and any agent of such trustee and the fees and disbursements of counsel for such trustee; and (ix) all other costs and expenses incident to the performance of its obligations hereunder which are not otherwise specifically provided for in this Section. It is understood, however, that, except as provided in this Section, and Sections 9 and 12 hereof, the Underwriters will pay all of their own costs and expenses, including the fees of their counsel, transfer taxes on resale of any of the Trust Preferred Securities by them, and any advertising expenses connected with any offers they may make.

8. The obligations of the Underwriters hereunder shall be subject, in their discretion, to the condition that all representations and warranties and other statements of the Guarantor and the Trust herein are, at and as of the Time of Delivery, true and correct, the condition that the Guarantor and the Trust shall have each performed all of its obligations hereunder theretofore to be performed, and the following additional conditions:

(a) The Prospectus shall have been filed with the Commission pursuant to Rule 424(b) under the Act within the applicable time period prescribed for such filing by the rules and regulations under the Act and in accordance with Section 5(a) hereof; the final term sheet contemplated by Section 5(a) hereof, and any other material required to be filed by the Guarantor or the Trust pursuant to Rule 433(d) under the Act, shall have been filed with the Commission within the applicable time periods prescribed for such filings by Rule 433; no stop order suspending the effectiveness of the Registration Statement or

any part thereof shall have been issued and no proceeding for that purpose shall have been initiated or threatened by the Commission and no notice of objection of the Commission to the use of the Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) under the Act shall have been received; no stop order suspending or preventing the use of the Prospectus or any Issuer Free Writing Prospectus shall have been initiated or threatened by the Commission; and all requests for additional information on the part of the Commission shall have been complied with to your reasonable satisfaction;

(b) Simpson Thacher & Bartlett LLP, counsel for the Underwriters, shall have furnished to you such written opinion or opinions, dated the Time of Delivery, in form and substance satisfactory to you, with respect to such matters as the Underwriters may reasonably require, and such counsel shall have received such papers and information as they may reasonably request to enable them to pass upon such matters;

(c) The Guarantor's Senior Corporate Counsel or such other internal counsel as shall be reasonably acceptable to the Underwriters (the "Internal Counsel"), shall have furnished to you such counsel's written opinion (a draft of such opinion is attached as Annex II(a) hereto), dated the Time of Delivery, in form and substance satisfactory to you;

(d) Venable LLP, Maryland counsel for the Guarantor, shall have furnished to you their written opinion (a draft of such opinion is attached as Annex II(b) hereto), dated the Time of Delivery, in form and substance satisfactory to you;

(e) Davis Polk & Wardwell, outside counsel for the Guarantor, shall have furnished to you their written opinion (a draft of such opinion is attached as Annex II(c) hereto), dated the Time of Delivery, in form and substance satisfactory to you;

(f) Richards, Layton & Finger, special Delaware counsel to the Guarantor and the Trust, shall have furnished to you their written opinion (a draft of such opinion is attached as Annex II(d) hereto), dated the Time of Delivery, in form and substance satisfactory to you;

(g) Shearman & Sterling LLP, special tax counsel to the Guarantor and the Trust, shall have furnished to you their written opinion (a draft of such opinion is attached as Annex II(e) hereto), dated the Time of Delivery, in form and substance satisfactory to you, to the effect that (i) subject to the qualifications set forth in the opinion and the Pricing Disclosure Package and the Prospectus, the statements made in the Pricing Disclosure Package and Prospectus under the caption "Certain United States Federal Income Tax Consequences" insofar as they purport to constitute summaries of matters of United States federal tax law and regulations or legal conclusions with respect thereto, constitute accurate summaries of the matters described therein in all material respects, and (ii) subject to the qualifications set forth in the opinion and the Pricing Disclosure Package and Prospectus, Shearman & Sterling LLP confirms its opinions set

forth in the discussion in the Pricing Disclosure Package and Prospectus under the caption “Certain United States Federal Income Tax Consequences”.

(h) On the date of the Prospectus at a time prior to the execution of this Agreement, at 9:30 a.m., New York City time, on the effective date of any post effective amendment to the Registration Statement filed subsequent to the date of this Agreement and also at the Time of Delivery, Deloitte & Touche LLP shall have furnished to you a letter or letters, dated the respective dates of delivery thereof, in form and substance satisfactory to you, to the effect set forth in Annex I hereto, (the executed copy of the letter delivered prior to the execution of this Agreement is attached as Annex I(a) hereto and a form of letter to be delivered on the effective date of any post-effective amendment to the Registration Statement, and as of the Time of Delivery is attached as Annex I(b) hereto);

(i) (i) Neither the Guarantor nor any of its subsidiaries shall have sustained since the date of the latest audited financial statements included or incorporated by reference in the Pricing Prospectus any loss or interference with its business from fire, explosion, flood or other calamity, whether or not covered by insurance, or from any labor dispute or court or governmental action, order or decree, otherwise than as set forth or contemplated in the Pricing Prospectus, and (ii) since the respective dates as of which information is given in the Pricing Prospectus there shall not have been any change in the capital stock or long term debt of the Guarantor or any of its subsidiaries or any change, or any development involving a prospective change, in or affecting the general affairs, management, financial position, stockholders' equity or results of operations of the Guarantor and its subsidiaries, otherwise than as set forth or contemplated in the Pricing Prospectus, the effect of which, in any such case described in clause (i) or (ii), is in your judgment so material and adverse as to make it impracticable or inadvisable to proceed with the public offering or the delivery of the Trust Preferred Securities on the terms and in the manner contemplated in the Prospectus;

(j) On or after the Applicable Time (i) no downgrading shall have occurred in the rating accorded the Guarantor's debt securities by any “nationally recognized statistical rating organization”, as that term is defined by the Commission for purposes of Rule 436(g)(2) under the Act, and (ii) no such organization shall have publicly announced that it has under surveillance or review, with possible negative implications, its rating of any of the Guarantor's debt securities;

(k) On or after the Applicable Time there shall not have occurred any of the following: (i) a suspension or material limitation in trading in securities generally on the New York Stock Exchange or on NASDAQ; (ii) a suspension or material limitation in trading in the Guarantor's securities on NASDAQ; (iii) a general moratorium on commercial banking activities declared by either Federal or New York, Ohio or Michigan State authorities or a material disruption in commercial banking or securities settlement or clearance services in the United States; (iv) the outbreak or escalation of hostilities involving the United States or the declaration by the United States of a national emergency or war or (v) the

occurrence of any other calamity or crisis or any change in financial, political or economic conditions in the United States or elsewhere, if the effect of any such event specified in clause (iv) or (v) in your judgment makes it impracticable or inadvisable to proceed with the public offering or the delivery of the Securities on the terms and in the manner contemplated in the Prospectus;

(l) The Guarantor shall have complied with the provisions of Section 5(e) hereof with respect to the furnishing of prospectuses on the New York Business Day next succeeding the date of this Agreement;

(m) The Guarantor and the Trust shall have furnished or caused to be furnished to you at the Time of Delivery certificates of officers of the Guarantor and trustees of the Trust satisfactory to you as to the accuracy of the representations and warranties of the Guarantor and the Trust herein at and as of such time, as to the performance by the Guarantor and the Trust of all of their obligations hereunder to be performed at or prior to such time, as to the matters set forth in subsections (a) and (i) of this Section and as to such other matters as you may reasonably request.

9. (a) The Guarantor and the Trust will, jointly and severally, indemnify and hold harmless each Underwriter against any losses, claims, damages or liabilities, joint or several, to which such Underwriter may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, the Basic Prospectus, any Preliminary Prospectus, the Pricing Prospectus or the Prospectus, or any amendment or supplement thereto, any Issuer Free Writing Prospectus or any "issuer information" filed or required to be filed pursuant to Rule 433(d) under the Act, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse each Underwriter for any legal or other expenses reasonably incurred by such Underwriter in connection with investigating or defending any such action or claim as such expenses are incurred; provided, however, that neither the Guarantor nor the Trust shall be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in the Registration Statement, the Basic Prospectus, any Preliminary Prospectus, the Pricing Prospectus or the Prospectus, or any amendment or supplement thereto, or any Issuer Free Writing Prospectus, in reliance upon and in conformity with written information furnished to the Guarantor by any Underwriter through the Representatives expressly for use therein.

(b) Each Underwriter will indemnify and hold harmless each of the Guarantor and the Trust against any losses, claims, damages or liabilities to which the Guarantor or the Trust may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, the Basic Prospectus, any Preliminary Prospectus, the Pricing Prospectus or the Prospectus, or any amendment or supplement thereto, or any Issuer Free Writing Prospectus, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in the Registration Statement, the

Basic Prospectus, any Preliminary Prospectus, the Pricing Prospectus or the Prospectus or any such amendment or supplement thereto, or any Issuer Free Writing Prospectus, in reliance upon and in conformity with written information furnished to the Guarantor by such Underwriter through the Representatives expressly for use therein; and will reimburse the Guarantor or the Trust for any legal or other expenses reasonably incurred by the Guarantor or the Trust in connection with investigating or defending any such action or claim as such expenses are incurred.

(c) Promptly after receipt by an indemnified party under subsection (a) or (b) above of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under such subsection, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve it from any liability which it may have to any indemnified party otherwise than under such subsection. In case any such action shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be liable to such indemnified party under such subsection for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation. No indemnifying party shall, without the written consent of the indemnified party, effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified party is an actual or potential party to such action or claim) unless such settlement, compromise or judgment (i) includes an unconditional release of the indemnified party from all liability arising out of such action or claim and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act, by or on behalf of any indemnified party.

(d) If the indemnification provided for in this Section 9 is unavailable to or insufficient to hold harmless an indemnified party under subsection (a) or (b) above in respect of any losses, claims, damages or liabilities (or actions in respect thereof) referred to therein, then each indemnifying party shall contribute

to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative benefits received by the Guarantor and the Trust on the one hand and the Underwriters on the other from the offering of the Trust Preferred Securities. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law or if the indemnified party failed to give the notice required under subsection (c) above, then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Guarantor or the Trust on the one hand and the Underwriters on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Guarantor and the Trust on the one hand and the Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Guarantor or the Trust bear to the total underwriting discounts and commissions received by the Underwriters, in each case as set forth in the table on the cover page of the Prospectus. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Guarantor or the Trust on the one hand or the Underwriters on the other and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Guarantor and the Trust on the one hand and the Underwriters on the other agree that it would not be just and equitable if contribution pursuant to this subsection (d) were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this subsection (d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above in this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this subsection (d), no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Trust Preferred Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations in this subsection (d) to contribute are several in proportion to their respective underwriting obligations and not joint.

(e) The obligations of the Guarantor and the Trust under this Section 9 shall be in addition to any liability which the Guarantor or the Trust may otherwise

have and shall extend, upon the same terms and conditions, to each person, if any, who controls any Underwriter within the meaning of the Act and each broker-dealer affiliate of any Underwriter; and the obligations of the Underwriters under this Section 9 shall be in addition to any liability which the respective Underwriters may otherwise have and shall extend, upon the same terms and conditions, to each officer and director of the Guarantor and to each person, if any, who controls the Guarantor within the meaning of the Act.

10. (a) If any Underwriter shall default in its obligation to purchase the Trust Preferred Securities which it has agreed to purchase hereunder, you may in your discretion arrange for you or another party or other parties to purchase such Trust Preferred Securities on the terms contained herein. If within thirty six hours after such default by any Underwriter you do not arrange for the purchase of such Trust Preferred Securities, then the Guarantor shall be entitled to a further period of thirty six hours within which to procure another party or other parties satisfactory to you to purchase such Trust Preferred Securities on such terms. In the event that, within the respective prescribed periods, you notify the Guarantor that you have so arranged for the purchase of such Trust Preferred Securities, or the Guarantor notifies you that it has so arranged for the purchase of such Trust Preferred Securities, you or the Guarantor shall have the right to postpone the Time of Delivery for a period of not more than seven days, in order to effect whatever changes may thereby be made necessary in the Registration Statement or the Prospectus, or in any other documents or arrangements, and the Guarantor agrees to file promptly any amendments or supplements to the Registration Statement or the Prospectus which in your opinion may thereby be made necessary. The term "Underwriter" as used in this Agreement shall include any person substituted under this Section with like effect as if such person had originally been a party to this Agreement with respect to such Trust Preferred Securities.

(b) If, after giving effect to any arrangements for the purchase of the Trust Preferred Securities of a defaulting Underwriter or Underwriters by you and the Guarantor as provided in subsection (a) above, the aggregate liquidation amount of such Trust Preferred Securities which remains unpurchased does not exceed one eleventh of the aggregate liquidation amount of all the Trust Preferred Securities, then the Guarantor shall have the right to require each non-defaulting Underwriter to purchase the liquidation amount of Trust Preferred Securities which such Underwriter agreed to purchase hereunder and, in addition, to require each non-defaulting Underwriter to purchase its pro rata share (based on the liquidation amount of the Trust Preferred Securities which such Underwriter agreed to purchase hereunder) of the Trust Preferred Securities of such defaulting Underwriter or Underwriters for which such arrangements have not been made; but nothing herein shall relieve a defaulting Underwriter from liability for its default.

(c) If, after giving effect to any arrangements for the purchase of the Trust Preferred Securities of a defaulting Underwriter or Underwriters by you and the Guarantor as provided in subsection (a) above, the aggregate liquidation

amount of Securities which remains unpurchased exceeds one eleventh of the aggregate liquidation amount of all the Trust Preferred Securities, or if the Guarantor shall not exercise the right described in subsection (b) above to require non-defaulting Underwriters to purchase the Trust Preferred Securities of a defaulting Underwriter or Underwriters, then this Agreement shall thereupon terminate, without liability on the part of any non-defaulting Underwriter or the Guarantor, except for the expenses to be borne by the Guarantor and the Underwriters as provided in Section 7 hereof and the indemnity and contribution agreements in Section 9 hereof; but nothing herein shall relieve a defaulting Underwriter from liability for its default.

11. The respective indemnities, agreements, representations, warranties and other statements of the Guarantor, the Trust and the several Underwriters, as set forth in this Agreement or made by or on behalf of them, respectively, pursuant to this Agreement, shall remain in full force and effect, regardless of any investigation (or any statement as to the results thereof) made by or on behalf of any Underwriter or any controlling person of any Underwriter, or the Trust, or the Guarantor, or any officer or director or controlling person of the Guarantor, and shall survive delivery of and payment for the Trust Preferred Securities.

12. If this Agreement shall be terminated pursuant to Section 10 hereof, neither the Guarantor nor the Trust shall be under any liability to any Underwriter except as provided in Sections 7 and 9 hereof; but, if for any other reason, the Trust Preferred Securities are not delivered by or on behalf of the Trust as provided herein, the Guarantor will reimburse the Underwriters through you for all out of pocket expenses approved in writing by you, including fees and disbursements of counsel, reasonably incurred by the Underwriters in making preparations for the purchase, sale and delivery of the Trust Preferred Securities, but the Guarantor and the Trust shall then be under no further liability to any Underwriter except as provided in Sections 7 and 9 hereof.

13. In all dealings hereunder, you shall act on behalf of each of the Underwriters, and the parties hereto shall be entitled to act and rely upon any statement, request, notice or agreement on behalf of any Underwriter made or given by you jointly or by the Representatives on behalf of you as the representatives.

All statements, requests, notices and agreements hereunder shall be in writing, and if to the Underwriters shall be delivered or sent by mail, telex or facsimile transmission to you as the representatives in care of Goldman, Sachs & Co., One New York Plaza, 42nd Floor, New York, New York 10004, Attention: Registration Department and Morgan Stanley & Co. Incorporated, 1585 Broadway, 29th Floor, New York, New York 10036 Attention: Investment Banking Division; and if to the Guarantor shall be delivered or sent by mail, telex or facsimile transmission to the address of the Guarantor set forth in the Registration Statement, Attention: Secretary; provided, however, that any notice to an Underwriter pursuant to Section 9(c) hereof shall be delivered or sent by mail, telex or facsimile transmission to such Underwriter at its address set forth in

its Underwriters' Questionnaire, or telex constituting such Questionnaire, which address will be supplied to the Guarantor by you upon request. Any such statements, requests, notices or agreements shall take effect upon receipt thereof.

14. This Agreement shall be binding upon, and inure solely to the benefit of, the Underwriters, the Trust, the Guarantor and, to the extent provided in Sections 9 and 11 hereof, the officers and directors of the Guarantor and each person who controls the Guarantor or any Underwriter, and their respective heirs, executors, administrators, successors and assigns, and no other person shall acquire or have any right under or by virtue of this Agreement. No purchaser of any of the Trust Preferred Securities from any Underwriter shall be deemed a successor or assign by reason merely of such purchase.

15. Time shall be of the essence of this Agreement. As used herein, the term "business day" shall mean any day when the Commission's office in Washington, D.C. is open for business.

16. The Guarantor and the Trust each acknowledges and agrees that (i) the purchase and sale of the Trust Preferred Securities pursuant to this Agreement is an arm's-length commercial transaction between the Guarantor and the Trust, on the one hand, and the several Underwriters, on the other, (ii) in connection therewith and with the process leading to such transaction each Underwriter is acting solely as a principal and not the agent or fiduciary of the Guarantor or the Trust, (iii) no Underwriter has assumed an advisory or fiduciary responsibility in favor of the Guarantor or the Trust with respect to the offering contemplated hereby or the process leading thereto (irrespective of whether such Underwriter has advised or is currently advising the Guarantor on other matters) or any other obligation to the Guarantor or the Trust except the obligations expressly set forth in this Agreement and (iv) each of the Guarantor and the Trust has consulted its own legal and financial advisors to the extent it deemed appropriate. Each of the Guarantor and the Trust agrees that it will not claim that the Underwriters, or any of them, has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to the Guarantor or the Trust, in connection with such transaction or the process leading thereto.

17. This Agreement supersedes all prior agreements and understandings (whether written or oral) between the Guarantor or the Trust and the Underwriters, or any of them, with respect to the subject matter hereof.

18. This Agreement shall be governed by and construed in accordance with the laws of the State of New York.

19. The Guarantor, the Trust and each of the Underwriters hereby irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

20. This Agreement may be executed by any one or more of the parties hereto in any number of counterparts, each of which shall be deemed to be an original, but all such respective counterparts shall together constitute one and the same instrument.

21. Notwithstanding anything herein to the contrary, the Guarantor and the Trust are authorized to disclose to any persons the U.S. federal and state income tax treatment and tax structure of the potential transaction and all materials of any kind (including tax opinions and other tax analyses) provided to the Guarantor or the Trust relating to that treatment and structure, without the Underwriters, imposing any limitation of any kind. However, any information relating to the tax treatment and tax structure shall remain confidential (and the foregoing sentence shall not apply) to the extent necessary to enable any person to comply with securities laws. For this purpose, "tax structure" is limited to any facts that may be relevant to that treatment.

If the foregoing is in accordance with your understanding, please sign and return to us one for the Guarantor and each of the Representatives plus one for each counsel counterparts hereof, and upon the acceptance hereof by you, on behalf of each of the Underwriters, this letter and such acceptance hereof shall constitute a binding agreement between each of the Underwriters and the Guarantor and the Trust. It is understood that your acceptance of this letter on behalf of each of the Underwriters is pursuant to the authority set forth in a form of Agreement among Underwriters, the form of which shall be submitted to the Guarantor for examination upon request, but without warranty on your part as to the authority of the signers thereof.

Very truly yours,

[]% JUNIOR SUBORDINATED NOTES DUE 2067

HUNTINGTON BANCSHARES INCORPORATED, a corporation organized and existing under the laws of Ohio (hereinafter called the "Company", which term includes any successor corporation under the Indenture hereinafter referred to), for value received, hereby promises to pay to _____, or registered assigns, the principal sum of (\$ _____) and all accrued and unpaid interest thereof on May ___, 2067, or if such day is not a Business Day, the following Business Day (the "Final Repayment Date").

The Company further promises to pay interest on said principal sum from and including May ___, 2007, or from and including the most recent Interest Payment Date on which interest has been paid or duly provided for, until the principal thereof is paid or made available for payment. Interest shall be payable (i) semi-annually in arrears on May ___ and November ___ of each year, beginning on November ___, 2007 until May ___, 2017, (ii) quarterly in arrears on February ___, May ___, August ___ and November ___ of each year, beginning on August ___, 2017 until May ___, 2047, and (iii) monthly in arrears on the 15th day of each month thereafter (each such date, an "Interest Payment Date"), at the rate of (i) ___% per annum, from and including May ___, 2007 to but excluding May ___, 2017, (ii) an annual rate equal to three-month LIBOR plus ___%, from and including May ___, 2017 to but excluding May ___, 2047, and (iii) an annual rate equal to one-month LIBOR plus ___% thereafter (computed on the basis of (i) a 360-day year comprised of twelve 30-day months with respect to any Interest Period ending on or prior to May ___, 2017 and (ii) a 360-day year and the actual number of days elapsed with respect to any other Interest Period), plus Additional Interest, if any; *provided, however*, if any Interest Payment Date described in clauses (ii) or (iii) of this paragraph falls on a day that is not a Business Day, the applicable Interest Payment Date shall instead occur on the immediately succeeding Business Day. Accrued interest that is not paid on the applicable Interest Payment Date (after giving effect to the adjustments described in the last sentence of Section 2.4(b) of the Supplemental Indenture), including interest deferred pursuant to Section 2.5 of the Supplemental Indenture, will bear Additional Interest, to the extent permitted by law, at the then-applicable rate described in the

second sentence of this paragraph, from the relevant Interest Payment Date, compounded on each subsequent Interest Payment Date. If any Interest Payment Date on or prior to the regularly scheduled Interest Payment Date in May, 2017 occurs on a day that is not a Business Day, the payment of interest for such Interest Payment Date shall be made (or such interest shall be made available for payment) on the next succeeding Business Day with the same force and effect as if such payment were made on the relevant Interest Payment Date. A “Business Day” will mean any day other than a Saturday, Sunday, or any other day on which banking institutions and trust companies in New York, New York or Columbus, Ohio, are permitted or required by any applicable law to close, or on or after May [], 2017, a day that is not a London banking day. A “London banking day” means any day on which commercial banks are open for general business (including dealings in deposits in U.S. dollars) in London, England. The interest installment so payable, and punctually paid or duly provided for, on any Interest Payment Date will, as provided in the Indenture, be paid to the Person in whose name this Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest installment, which will be the date that is the last day of the month immediately preceding the month in which such Interest Payment Date falls (whether or not a Business Day). Any such interest installment not so punctually paid or duly provided for (other than interest deferred in accordance with the next paragraph) will forthwith cease to be payable to the Holder on such Regular Record Date and may either be paid to the Person in whose name this Security (or one or more Predecessor Securities) is registered at the close of business on a Special Record Date for the payment of such Defaulted Interest to be fixed by the Trustee, notice whereof will be given to Holders of Securities of this series not less than 10 days before such Special Record Date, or be paid at any time in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Securities of this series may be listed, and upon such notice as may be required by such exchange, all as more fully provided in said Indenture.

So long as no Event of Default has occurred and is continuing, the Company has the right at any time or from time to time during the term of this Security to defer payment of interest on this Security for one or more consecutive Interest Periods up to 10 years; *provided, however*, that no Deferral Period will extend beyond the Final Repayment Date or the earlier redemption of any Securities of this series. Upon the termination of any Deferral Period and upon the payment of all deferred interest then due, the Company may elect to begin a new Deferral Period, subject to the above requirements. Except as provided in Section 2.7 of the Supplemental Indenture, no interest will be due and payable during a Deferral Period except at the end thereof.

So long as any Securities remain outstanding, if the Company has given notice of its election to defer interest payments on the Securities but the related Deferral Period has not yet commenced or a Deferral Period is continuing, the Company will not, and will not permit any Subsidiary of the Company to, (i) declare or pay any dividends or distributions, or redeem, purchase, acquire or

make a liquidation payment with respect to any shares of the Company's capital stock, (ii) make any payment of principal of or interest or premium, if any, on or repay, purchase or redeem any debt securities or guarantees of the Company that rank upon the Company's liquidation on a parity with this Security (including this Security, the "Parity Securities"), or junior in interest to this Security (except for partial payments of interest with respect to the Security) or (iii) make any payments under any guarantee by the Company that ranks junior to the Guarantee Agreement (other than (a) any purchase, redemption or other acquisition of shares of the Company's capital stock in connection with (1) any employment contract, benefit plan or other similar arrangement with or for the benefit of any one or more of its employees, officers, directors or consultants, (2) a dividend reinvestment or stockholder purchase plan, (3) transactions effected by or for the account of customers of the Company or any of its affiliates or in connection with the distribution, trading or market-making in respect of the Trust Preferred Securities or (4) the issuance of the Company's capital stock, or securities convertible into or exercisable for such capital stock, as consideration in an acquisition transaction entered into before the applicable Deferral Period; (b) any exchange or conversion of any class or series of the Company's capital stock, or the capital stock of one of its subsidiaries, for any other class or series of the Company's capital stock, or any class or series of the Company's indebtedness for any class or series of its capital stock; (c) any purchase of fractional interests in shares of the Company's capital stock pursuant to the conversion or exchange provisions of such capital stock or the securities being converted or exchanged; (d) any declaration of a dividend in connection with any rights plan, or the issuance of rights, stock or other property under any rights plan, or the redemption or purchase of rights pursuant thereto; (e) any dividend in the form of stock, warrants, options or other rights where the dividend stock or stock issuable upon exercise of such warrants, options or other rights is the same stock as that on which the dividend is being paid or ranks equally with or junior to such stock); (f) any payment of current or deferred interest on Parity Securities that is made pro rata to the amounts due on such Parity Securities, *provided* that such payments are made in accordance with Section 2.7(c) of the Supplemental Indenture to the extent it applies, and any payments of deferred interest on Parity Securities that, if not made, would cause the Company to breach the terms of the instrument governing such Parity Securities or (g) any payment of principal in respect of Parity Securities having the same scheduled maturity date as this Security, as required under a provision of such Parity Securities that is substantially the same as the provision described in Section 2.2 of the Supplemental Indenture, and that is made on a pro rata basis among one or more series of Parity Securities having such a provision). In addition, if any Deferral Period lasts longer than one year, the Company will not repurchase or acquire any securities ranking junior to or equal with any of its Qualifying APM Securities the proceeds of which were used to settle deferred interest during the relevant Deferral Period before the first anniversary of the date on which all deferred interest on this Security has been paid before the first anniversary of the date on which all deferred interest on this Security has been paid, subject to the exceptions listed above.

The Company will give written notice of its election to begin or extend any Deferral Period, (x) if the Property Trustee, on behalf of the Trust, is the sole holder of the Securities, to the Property Trustee and the Delaware Trustee not more than 30 Business Days and at least five Business Days before the earlier of (A) the next succeeding date on which the distributions on the Trust Preferred Securities are payable and (B) the date the Property Trustee is required to give notice to holders of the Trust Preferred Securities of the record or payment date for the related distribution, or (y) if the Property Trustee, on behalf of the Trust, is not the sole Holder of the Securities, to Holders of the Securities and the Trustee at least five Business Days before the next Interest Payment Date.

Payment of the principal of and interest on this Security will be made at the office or agency of the Company maintained for that purpose in the United States, in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts; *provided, however*, that at the option of the Company payment of interest may be made (i) by check mailed to the address of the Person entitled thereto as such address will appear in the Securities Register or (ii) by wire transfer in immediately available funds at the bank account number as may be designated by the Person entitled thereto as specified in the Securities Register in writing not less than ten days before the relevant Interest Payment Date.

The indebtedness evidenced by this Security is, to the extent provided in the Indenture, subordinate and junior in right of payment to the prior payment in full of all Senior Debt, and this Security is issued subject to the provisions of the Indenture with respect thereto. Each Holder of this Security, by accepting the same, (a) agrees to and will be bound by such provisions, (b) authorizes and directs the Trustee on his behalf to take such actions as may be necessary or appropriate to effectuate the subordination so provided and (c) appoints the Trustee his attorney-in-fact for any and all such purposes. Each Holder hereof, by his acceptance hereof, waives all notice of the acceptance of the subordination provisions contained herein and in the Indenture by each holder of Senior Indebtedness, whether now outstanding or hereafter incurred, and waives reliance by each such holder upon said provisions.

Reference is hereby made to the further provisions of this Security set forth on the reverse hereof, which further provisions will for all purposes have the same effect as if set forth at this place.

Unless the certificate of authentication hereon has been executed by the Trustee referred to on the reverse hereof by manual signature, this Security will not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose.

IN WITNESS WHEREOF, the Company has caused this instrument to be duly executed.

(FORM OF REVERSE OF JSNs)

This Security is one of a duly authorized issue of securities of the Company (herein called the "Securities"), issued and to be issued in one or more series under the Junior Subordinated Indenture, dated as of May ___ (herein called the "Base Indenture"), between the Company and The Bank of New York, as trustee (the "Trustee"), as amended and supplemented by the Supplemental Indenture, dated as of May ___, 2007, between the Company and the Trustee (the "Supplemental Indenture"), and together with the Base Indenture, the "Indenture"), to which Indenture and all other indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Trustee, the Company and the Holders of the Securities, and of the terms upon which the Securities are, and are to be, authenticated and delivered. By the terms of the Indenture, the Securities are issuable in series that may vary as to amount, date of maturity, rate of interest, rank and in any other respect provided in the Indenture.

All terms used in this Security that are defined in the Indenture or in the Amended and Restated Declaration of Trust, dated as of May ___, 2007, as amended (the "Amended Declaration"), for Huntington Capital III among Huntington Bancshares Incorporated, as Sponsor, The Bank of New York, as the Property Trustee and the Delaware Trustee, and the Administrative Trustees, will

have the meanings assigned to them in the Indenture or the Amended Declaration, as the case may be.

This Security shall be redeemable, at the Company's option, at any time, including on or after the Scheduled Maturity Date. The Company may redeem this Security (i) in whole or in part on May ___, 2017 or May ___, 2027 (or if either such date is not a Business Day, on the immediately following Business Day); (ii) in whole but not in part at any time within 90 days after the occurrence of a Capital Treatment Event or Investment Company Event; (iii) in whole but not in part at any time after May ___, 2017 and within 90 days after the occurrence of a Tax event; or (iv) in whole or in part on or after May ___, 2037, including on or after the Scheduled Maturity Date, in each case at a redemption price equal to 100% of the principal amount of this Security to be redeemed plus accrued and unpaid interest to the Redemption Date. In all other cases, the redemption price will equal the applicable Make-Whole Redemption Price. Securities of this series shall be subject to partial redemption only in the amount of \$1,000 or integral multiples thereof.

No sinking fund is provided for the Securities.

The Indenture contains provisions for satisfaction and discharge of the entire indebtedness of this Security upon compliance by the Company with certain conditions set forth in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the Company and the Trustee at any time to enter into a supplemental indenture or indentures for the purpose of modifying in any manner the rights and obligations of the Company and of the Holders of the Securities, with the consent of the Holders of not less than a majority in principal amount of the Outstanding Securities to be affected by such supplemental indenture. The Indenture also contains provisions permitting Holders of specified percentages in principal amount of the Securities at the time Outstanding, on behalf of the Holders of all Securities, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security will be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security.

As provided in and subject to the provisions of the Indenture, if an Event of Default with respect to the Securities at the time Outstanding occurs and is continuing, then and in every such case the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Securities may declare the entire principal amount and all accrued but unpaid interest of all the Securities to be due and payable immediately, by a notice in writing to the Company (and to the Trustee if given by Holders); *provided* that, in the case of the Securities issued to

and held by Huntington Capital III, or any trustee thereof or agent therefor, if upon an Event of Default, the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Securities fails to declare the entire principal and all accrued but unpaid interest of all the Securities to be immediately due and payable, the holders of at least 25% in aggregate Liquidation Amount of the Trust Preferred Securities then outstanding shall have such right by a notice in writing to the Company and the Trustee; and upon any such declaration the principal amount of and the accrued but unpaid interest (including any Additional Interest); and on all the Securities will become immediately due and payable; *provided* that the payment of principal and interest (including any Additional Interest) on such Securities will remain subordinated to the extent provided in Article XIV of the Base Indenture.

So long as any Securities are held by or on behalf of Huntington Capital III, any holder of the Trust Preferred Securities issued by the Huntington Capital III shall have the right, upon (i) the breach by the Company of its obligations under Section 2.2(a)(v) of the Supplemental Indenture to issue Qualifying Capital Securities or Section 2.7(a) of the Supplemental Indenture to issue Qualifying APM Securities or (ii) the occurrence of an Event of Default described in Section 2.9(a) of the Supplemental Indenture, to institute a suit directly against the Company (a) in the case of (i) above, to enforce such obligations or for such other remedies as may be available and (b) in the case of (ii) above, for enforcement of payment to such holder of principal of (premium, if any) and (subject to Section 3.8 of the Base Indenture) interest (including any Additional Interest) on the Securities having a principal amount equal to the aggregate Liquidation Amount (as defined in the Amended Declaration) of such Trust Preferred Securities.

The Holder of this Security, by such Holder's acceptance hereof, agrees that if a Bankruptcy Event of the Company shall occur before the redemption or repayment of such Security, such Holder shall have no claim for, and thus no right to receive, any deferred interest pursuant to Section 2.5 of the Supplemental Indenture that has not been paid pursuant to Sections 2.5 and 2.7 of the Supplemental Indenture to the extent the amount of such interest exceeds the sum of (x) interest (including any compounded interest thereon) that relates to the earliest two years of the portion of the Deferral Period for which interest has not been paid and (y) an amount equal to such Holder's pro rata share of the excess, if any, of the Preferred Stock Issuance Cap over the aggregate amount of net proceeds from the sale of Qualifying Preferred Stock that the Company has applied to pay such deferred interest pursuant to the Alternative Payment Mechanism; *provided* that such Holder shall be deemed to agree that, to the extent the remaining claim exceeds the amount set forth in clause (x), the amount it receives in respect of such excess shall not exceed the amount it would have received the claim for such excess ranked equally with the interests of the Holders, if any, of Qualifying Preferred Stock.

No reference herein to the Indenture and no provision of this Security or of the Indenture will alter or impair the obligation of the Company, which is

absolute and unconditional, to pay the principal of and interest on this Security at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registrable in the Securities Register, upon surrender of this Security for registration of transfer at the office or agency of the Company maintained under Section 10.2 of the Base Indenture duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Securities Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Securities, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees. No service charge will be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Before due presentment of this Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee will treat the Person in whose name this Security is registered as the owner hereof for all purposes, whether or not this Security be overdue, and neither the Company, the Trustee nor any such agent will be affected by notice to the contrary.

The Securities are issuable only in registered form without coupons in minimum denominations of \$1,000 and integral multiples thereof. As provided in the Indenture and subject to certain limitations therein set forth, Securities are exchangeable for a like aggregate principal amount of Securities of a different authorized denomination, as requested by the Holder surrendering the same.

The Company and, by its acceptance of this Security or a beneficial interest therein, the Holder of, and any Person that acquires a beneficial interest in, this Security agree to treat for United States Federal income tax purposes (i) the Securities as indebtedness of the Company, and (ii) the stated interest on the Securities as ordinary interest income that is includible in the Holder's or beneficial owner's gross income at the time the interest is paid or accrued in accordance with the Holder's or beneficial owner's regular method of tax accounting, and otherwise to treat the Securities as described in the Prospectus Supplement.

The Indenture and this Security will be governed by and construed in accordance with the laws of the State of New York.

This is one of the Securities referred to in the within mentioned Indenture.
