Re: Registration Statement on Form S-3 (No. 333-156700)

Ladies and Gentlemen:

We have served as Maryland counsel to Huntington Bancshares Incorporated, a Maryland corporation (the "Company"), in connection with certain matters of Maryland law arising out of the registration by the Company of up to 39,539,332 shares (the "Shares") of common stock, par value \$.01 per share (the "Common Stock"), of the Company, having an aggregate offering price of up to \$120,000,000, covered by the above-referenced Registration Statement on Form S-3, and all amendments thereto, as filed with the United States Securities and Exchange Commission (the "Commission") by the Company under the Securities Act of 1933, as amended (the "1933 Act") (the "Registration Statement"). The Shares will be issued pursuant to the Equity Distribution Agreement, dated as of April 24, 2009, as amended by Amendment No. 1 thereto, dated as of May 7, 2009 (collectively, the "Distribution Agreement"), by and between the Company and Goldman, Sachs & Co. This firm did not participate in the drafting or negotiation of the Distribution Agreement. Capitalized terms used but not defined herein shall have the meanings assigned to them in the Registration Statement.

In connection with our representation of the Company, and as a basis for the opinion hereinafter set forth, we have examined originals, or copies certified or otherwise identified to our satisfaction, of the following documents (hereinafter collectively referred to as the "Documents"):

1. The charter of the Company (the "Charter"), certified by the State Department of Assessments and Taxation of Maryland (the "SDAT");
 2. The Bylaws of the Company, certified as of the date hereof by an officer of the Company;
 3. A certificate of the SDAT as to the good standing of the Company, dated as of a recent date;
 4. Resolutions (the "Resolutions") adopted by the Board of Directors of the Company and a duly authorized committee thereof relating to the issuance of the Shares, certified as of the date hereof by an officer of the Company;
-

5. The Distribution Agreement;

6. A certificate executed by an officer of the Company, dated as of the date hereof;

7. The Registration Statement and the related form of prospectus included therein and the supplement thereto, including an addendum thereto, in the form in which it was transmitted to the Commission under the 1933 Act; and

8. Such other documents and matters as we have deemed necessary or appropriate to express the opinion set forth in this letter, subject to the assumptions, limitations and qualifications stated herein.

In expressing the opinion set forth below, we have assumed the following:

1. Each individual executing any of the Documents, whether on behalf of such individual or another person, is legally competent to do so.

2. Each individual executing any of the Documents on behalf of a party (other than the Company) is duly authorized to do so.

3. Each of the parties (other than the Company) executing any of the Documents has duly and validly executed and delivered each of the Documents to which such party is a signatory, and such party's obligations set forth therein are legal, valid and binding and are enforceable in accordance with all stated terms.

4. All Documents submitted to us as originals are authentic. The form and content of all Documents submitted to us as unexecuted drafts do not differ in any respect relevant to this opinion from the form and content of such Documents as executed and delivered. All Documents submitted to us as certified or photostatic copies conform to the original documents. All signatures on all Documents are genuine. All public records reviewed or relied upon by us or on our behalf are true and complete. All representations, warranties, statements and information contained in the Documents are true and complete. There has been no oral or written modification of or amendment to any of the Documents, and there has been no waiver of any provision of any of the Documents, by action or omission of the parties or otherwise.

5. Upon issuance of any of the Shares, the total number of shares of Common Stock issued and outstanding will not exceed the total number of shares of Common Stock that the Company is then authorized to issue under the Charter.

Based upon the foregoing, and subject to the assumptions, limitations and qualifications stated herein, it is our opinion that:

1. The Company is a corporation duly incorporated and existing under and by virtue of the laws of the State of Maryland and is in good standing with the SDAT.
2. The Shares have been duly authorized and, when and if issued and delivered in accordance with the Resolutions, the Distribution Agreement and the Registration Statement, will be validly issued, fully paid and nonassessable.

The foregoing opinion is limited to the laws of the State of Maryland and we do not express any opinion herein concerning any other law. We express no opinion as to the applicability or effect of any federal or state securities laws, including the securities laws of the State of Maryland, or as to federal or state laws regarding fraudulent transfers. To the extent that any matter as to which our opinion is expressed herein would be governed by any jurisdiction other than the State of Maryland, we do not express any opinion on such matter. The opinion expressed herein is subject to the effect of judicial decisions which may permit the introduction of parol evidence to modify the terms or the interpretation of agreements.

The opinion expressed herein is limited to the matters specifically set forth herein and no other opinion shall be inferred beyond the matters expressly stated. We assume no obligation to supplement this opinion if any applicable law changes after the date hereof or if we become aware of any fact that might change the opinion expressed herein after the date hereof.

This opinion is being furnished to you for submission to the Commission as an exhibit to the Company's Current Report on Form 8-K relating to the Shares (the "Form 8-K"). We hereby consent to the filing of this opinion as an exhibit to the Form 8-K and to the use of the name of our firm therein. In giving this consent, we do not admit that we are within the category of persons whose consent is required by Section 7 of the 1933 Act.

Very truly yours,

/s/ Venable LLP

**HUNTINGTON BANCSHARES ANNOUNCES COMPLETION OF ITS
DISCRETIONARY EQUITY ISSUANCE PROGRAM**

COLUMBUS, Ohio — Huntington Bancshares Incorporated (NASDAQ: HBAN; www.huntington.com) today announced that it has successfully completed its Discretionary Equity Issuance Program announced April 21, 2009.

As a result of this program, 38.5 million shares of common stock worth \$120 million were issued. The average price per common share issued was \$3.12. The issuance of these shares, plus the 4.7 million common shares issued resulting from converting a portion of our Series A 8.50% Non-cumulative Perpetual Convertible Preferred stock late in the 2009 first quarter that settled April 2, 2009, significantly strengthen key capital ratios. Specifically, these actions added 28 basis points to Huntington's tangible common equity ratio (4.65% at March 31, 2009) and 30 basis points to its Tier 1 Common risk-based capital ratio (5.75% at March 31, 2009).

"We are extremely pleased that we were able to complete this expanded program in such a short period of time," said Stephen D. Steinour, chairman, president, and chief executive officer. "Given the very good demand we found for our common shares, we were able to increase the program by \$20 million. These results speak well regarding the market's perception of the progress we are making in improving our financial performance in this challenging environment."

Forward-looking Statement

This press release contains certain forward-looking statements, including certain plans, expectations, goals, projections, and statements, which are subject to numerous assumptions, risks, and uncertainties. Actual results could differ materially from those contained or implied by such statements for a variety of factors including: (1) deterioration in the loan portfolio could be worse than expected due to a number of factors such as the underlying value of the collateral could prove less valuable than otherwise assumed and assumed cash flows may be worse than expected; (2) changes in economic conditions; (3) movements in interest rates; (4) competitive pressures on product pricing and services; (5) success and timing of other business strategies; (6) the nature, extent, and timing of governmental actions and reforms, including existing and potential future restrictions and limitations imposed in connection with the Troubled Asset Relief Program's voluntary Capital Purchase Plan or otherwise under the Emergency Economic Stabilization Act of 2008; and (7) extended disruption of vital infrastructure. Additional factors that could cause results to differ materially from those described above can be found in Huntington's 2008 Annual Report on Form 10-K, and documents subsequently filed by Huntington with the Securities and Exchange

Commission. All forward-looking statements included in this release are based on information available at the time of the release. Huntington assumes no obligation to update any forward-looking statement.
