NOTES TO FINANCIAL STATEMENTS

December 31, 2000

Note 1 - Summary of Accounting Policies

Description of the Plan

The Huntington Bancshares Incorporated Deferred Compensation Plan and Trust for Directors (the "Plan") was adopted by the Board of Directors of Huntington Bancshares Incorporated ("Huntington") on September 15, 1986, to be effective on that date. The Plan was subsequently amended on August 19, 1987, and April 25, 1991. The following summary describes the Plan as amended and restated.

The Plan is in the form of a trust agreement between Huntington and its wholly-owned subsidiary, The Huntington National Bank (the "Trustee"). The Plan provides each director of Huntington's participating affiliates (a "Director") with the option to defer receipt of all or a portion of the compensation payable to him or her for services as a Director. Huntington transfers an amount equal to one hundred twenty-five percent (125%) of the compensation deferred pursuant to the Plan to a trust fund administered by the Trustee.

Amounts held in the trust fund may be invested by the Trustee in common stock, common trust funds, real estate, and other property which the Trustee deems to be in the best interest of the participating Directors. The Trustee maintains a separate account for each Director which reflects such Director's share of assets held in his or her account in the Plan.

The Plan is administered by a committee of the Huntington Board of Directors (the "Committee") consisting of not fewer than three members. As of March 30, 2001, the members of the Committee were Timothy P. Smucker, Chairman, George A. Skestos, and Don Conrad. The members of the Committee are appointed annually by the Board of Directors of Huntington (the "Board") and serve until they resign and their successors are appointed or until they are removed with or without cause by the Board. None of the members of the Committee receives compensation from the assets of the Plan.

Distributions are made either in a lump sum or in equal annual installments over a period of not more than ten years. The Committee has sole discretion to distribute all or a portion of a Director's account in the event such Director requests a hardship distribution.

Huntington may amend or terminate the Plan at any time provided that no such amendment or termination will affect the rights of Directors to amounts previously credited to their accounts.

6

Effective April 25, 1991, the Plan was amended to exclude directors of Huntington from future participation in the Plan. Contributions previously made on behalf of Huntington Directors, and related earnings thereon, were not affected by the amendment.

Investments

As of December 31, 2000 and 1999, Plan assets were primarily invested in shares of common stock of Huntington ("Common Stock"). These shares are carried at market value as determined by quoted prices reported by The Nasdaq Stock Market. The cost of specific investments sold is used to compute realized gains and losses.

Distributions

Distributions in the form of Common Stock are reported at market value.

Income and Expenses

Cash dividends are recognized as of the record date. All costs and expenses incurred in administering the Plan, including brokerage commissions and fees incurred in connection with the purchase of securities, are paid by Huntington and participating affiliates. Expenses incurred in administering the Plan totaled \$5,000 for 2000 and 1999, and \$15,000 for 1998.

Note 2 - Cash Equivalents

The Plan temporarily invests cash and cash equivalents in The Huntington National Bank sponsored Huntington Money Market Funds.

Note 3 - Federal Income Taxes

The Plan is established as an unfunded deferred compensation plan under the Internal Revenue Code. Accordingly, a Director will not incur federal income tax liability when compensation is deferred pursuant to the Plan, when matched contributions are made to the Plan, when Common Stock is purchased for a Director's account, or when dividends are paid to a Director's account on such shares. Rather, a Director will incur federal income tax liability for such contributions and income only when distributions are made to a Director. Huntington has received a ruling from the Internal Revenue Service that the operation of the Plan has the tax consequences described above.

Huntington is subject to any federal income taxes arising from taxable income of the Plan. Accordingly, no provision for federal income taxes is included in the financial statements of the Plan. If, at any time, it is determined that compensation deferred pursuant to the Plan is currently subject to income tax by the Directors or their beneficiaries, the Plan shall terminate and any amounts held in the trust fund shall be distributed to the Directors or their beneficiaries.

7

The Plan is not qualified under Section 401(a) of the Internal Revenue Code and is not subject to the provisions of the Employee Retirement Income Security Act of 1974.

Note 4 - Net Realized and Unrealized Appreciation of Investments

The following tables summarize the net realized and unrealized appreciation of the Plan's investments in Common Stock for each of the three years in the period ended December 31, 2000:
